This JCPA recognises and records achievements in Junior Cycle.		

This JCPA(Junior Cycle Profile of Achievement) will contain;

1.The results of your JC Exams.

2.The results/descriptors for your English Classroom Based Assessments;

CBA1-The Oral Presentation completed at the end of second year

CBA2-The Collection of Texts Task completed in December of third year

3.Information on 'Other Areas of Learning' you have undertaken during first, second and third year.

Today you will be writing your 'Other Areas of Learning' for inclusion in the JCPA.

But what is an
**'Other Area of
Learning?'**

The most important thing to remember is that an OAL is school related-

So it happened here;

Or while you were wearing a variation of this;

Now write down three things you think could be included as an 'Other Area of Learning.'

Suitable Achievements for inclusion as an OAL ;

- ✓ Specific awards you have won for sporting or cultural achievements at the school end of year award ceremonies in first, second and third year.
- ✓ Winning a prize for attitude, behaviour or attendance at a school award ceremony.
- ✓ Being part of a school sports team/panel.
- ✓ Member of the Students' Council.
- ✓ Entered a competition-BT Young Scientist/first year history competition.
- ✓ Taken part in the organisation of a charity fundraising event in the school.

More Examples of OALs

- ✓ Performed in front of classmates/schoolmates at a school musical, dramatic or dance performance.
- ✓ Taken part in organising a school mass.
- ✓ Helped out at a Parents' Evening, parent-teacher meeting or similar.
- ✓ Initiatives undertaken in class such as a geography/history project, winning a baking prize, completing a design in woodwork/metalwork, making models in science, writing a poem for Friendship week
- ✓ Being a part of any school club
- ✓ An active role in your CSPE project
- ✓ Any learning experience you feel has benefitted you during time at DCC

Now it's time to reflect on the OALs you achieved throughout Junior Cycle. You should aim for a minimum of two and a maximum of five.

- You should write your OAL statement in the third person like this;

John/Joan played in the soccer team.

More examples;

Examples;

1. Claire was a member of the school Gaelic team where she represented the school at competition level reaching the semi-finals of the Leinster Cup.
2. Claire was a member of the school's student council.
3. Claire won a class prize in the first year for her history project.

Next let's try to reflect on the skills you learned while completing these OALs;

Use the Key skills and Statements of Learning Handout to help you reflect on the skills you learned.

1. Claire was a member of the school Gaelic team where she represented the school at competition level reaching the semi-finals of the Leinster Cup. *This experience helped her develop her ability to work in a team and how to set and achieve personal targets.*

2. Claire was a member of the school's student council. *This helped her understand how meetings are run and how to organise charity fundraisers. Furthermore this developed her problem solving skills and her ability to innovate.*

3. Claire won a class prize in the first year for my history project. *This project taught her the skills of research and how to think creatively. It also taught her to bring an idea from concept to realisation.*

We also need teacher references for your OALS

For example;

1. Mr O'Keefe
2. Miss Nic An Ri
3. Mr Reilly

What you have to do now;

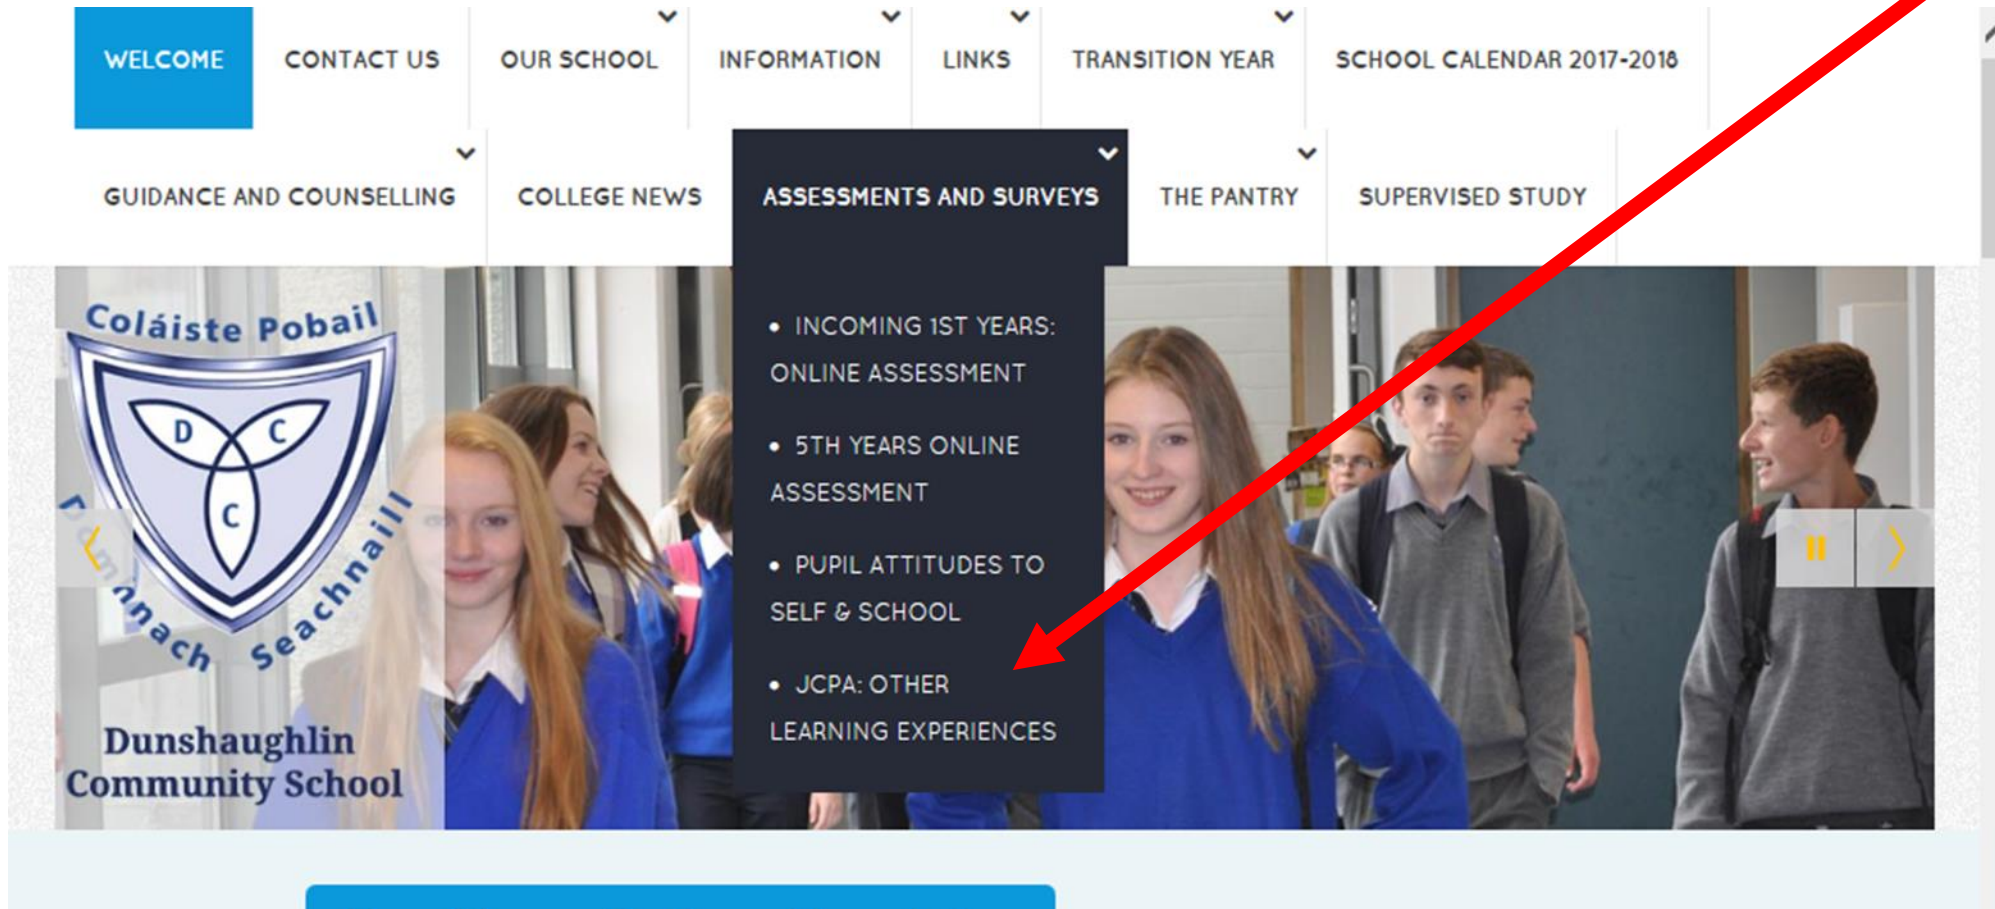

Open a Word Document and start writing your Other Areas of Learning (OALs)

Remember;

1. You should aim for 2 to 5 OALs.
2. Write them as numbered bullet points.
3. Keep the word count under 120 words.
4. Link what you did to the key skills and statements of learning.
5. Remember this is going on your JCPA so use correct English and don't make any spelling or grammar mistakes.
